Natasha Lamalle Photography - Lamalle LLC

This Print Release grants you, the client, permission to print and share the high-resolution digital images provided by Natasha Lamalle Photography. These images are for personal use only and may not be used commercially without prior written consent.

You are welcome to print your images for personal purposes, such as albums, wall art, or gifts. Sharing your images on social media platforms is also permitted, and we kindly ask that you credit **Natasha Lamalle Photography** by tagging or mentioning when possible.

Please note that these images may not be used for commercial purposes, including advertising or promotional materials, without explicit permission. Additionally, altering or editing the images, including the application of filters, is not allowed as it may compromise the original quality and artistic intent of the photographs. Resale, licensing, or sublicensing of the images to third parties is strictly prohibited.

For the best quality, I recommend using professional printing labs, as non-professional printers may alter the colors or degrade the quality of your images. Natasha Lamalle Photography is not responsible for poor results from non-professional printing services such as, but not limited to, CVS, Walmart, or Costco.

If you have any questions about printing or need recommendations, feel free to reach out. Thank you for trusting Natasha Lamalle Photography to document your unforgettable moments!
